DETAILED ACTION

Conclusion

1. This application is in condition for allowance except for the following formal matters:

1) A new declaration is required. The original did not set forth a specific error. Also, the new declaration must include language to cover any changes made since the original declaration.

2) Applicant did not submit a separate paper providing a statement of where there is support for any changes to the specification or claims or addition of claims. Applicant is required to set forth the support for any changes to the claims. Applicant must submit this statement of where the changes are supported.

3) As of November 7, 2000, the specification must be in double column format.

4) There is a copy of claims on pages numbered 13-22. These appear to be the same as the claims on pages 25-34. Applicant should cancel pages 13-22 so there is no confusion.

5) There is a request for transfer of drawings. As of November 7, 2000, transfer is not permitted.

6) The original ribbon patent has not yet been surrendered. It must be surrendered before the case can be allowed.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
